

Possessing God's Truth Gauge

Grace Bible Chapel

2 John 7-13

Sunday – March 1st, 2026

CONTEXT: We established in the first 6 verses of 2 John our essential relation to truth. There are no exceptions for God's own in relation to truth as He is truth. If we are new creatures in Christ, we are those who possess and love God's truth. The Bible is the exclusive source of truth of which we rely and build our lives. Now, in verses 7 to 13 John closes his brief letter not using the word truth, and yet it is all about our possession of truth and how we live embracing it as our measure for all things. We must be loyal to the truth. We must guard truth with our lives, and we must be those who are continuously nourishing our minds on precious truth.
