

# Christ Declares Himself King and Lord

Palm Sunday – Grace Bible Chapel

Matthew 21:1-17

March 29, 2026

This is Palm Sunday. It is among the most special days to consider the glory and value of our Savior. Palm Sunday was planned of God Himself. It depicts the condition of mankind in sin to reject the clearly promised and presented Savior to redeem mankind from our incurable condition in sin. Our Lord plans every step in accordance with the Word of God, and yet His rejection is led by those who prided themselves in their knowledge of Scripture. This event brings to conclusion the ministry of Christ on the earth and leads Him to the cross. A study and reflection on this event leads one to worship Him who is altogether worthy.
