**Sola Gratia** (by grace alone), God's only Method - We are saved by the grace of God alone. Our salvation is entirely undeserved; it is a gift freely given by God according to His will. We cannot earn it through our efforts, deeds, or anything we can do.

We know that God is holy, and God is a judge, who punishes sinners. How can a man be right with a God who is so vastly beyond us and has requirements impossible for us to meet?
