

Does the Resurrection Matter to Me?

Study Outline – Grace Bible Chapel

Resurrection Sunday

Sunday –April 20th, 2025

CONTEXT: Today, being Resurrection Sunday, we will seek to answer a most important question for each of us, does the resurrection of Christ matter to me? We will address the value of this question by looking briefly at the lives of three men who knew our Lord personally following His resurrection. To be a Christian we must believe in the resurrection. If we believe in the resurrection, it will affect how we think and how we live. Changed lives come as a result of the resurrection and at the same time prove the resurrection. We will be encouraged from the Scripture that truly “knowing” and believing the reality of the resurrection changes everything in a person’s life – not just for the future, but also in the immediate! Today we will briefly visit and consider Peter, Paul, & John by looking at what they became as a result of the resurrection of Jesus Christ.

Introduction: _____

Supremely changed lives

1. Situation of Peter _____

- Succumbing to fear
