

The Value of a Godly Mother!

Mother's Day – May 11th, 2025

Grace Bible Chapel

1 Samuel 1:1-2:11

Context: The story of Hannah the mother of Samuel serves as a template of what it means to commit our children to the Lord. Here is a woman of God who was tested. She sought the Lord for His mercies in providing her a child whom she would commit to the Lord. She was rewarded, and her son became the needed blessing not only for her but for all Israel. The principle of trust and commitment to God is true and needed for today as well. Our children must be appreciated as a gift from God. There must be a desire to honor the Lord by giving our children back to Him. Our children must be committed to God. Mothers who love and trust the Lord are key in the important process of rearing children to become the Christian leaders for tomorrow.
